- Mobius 7, Enterprise Data Intelligence, Workspace 10 receive version updates
- First EVOLVE customer conferences gather

* Yearly growth percentage calculated by comparing 2014 licenses.

Evolving Data Innovation

“To compete in today’s market, organizations need to take advantage of data-driven insights – and that starts with being able to efficiently access, manage, and control their data. At ASG, we’re constantly assessing market needs and opportunities to give our clients the tools they need to win in the market.”

- Swamy Viswanathan, EVP and Chief Product Officer, ASG Technologies

Innovation and Investment in core solutions continues

Mobius 7

Enables management and delivery of any type of information on cloud, on-premises, or in hybrid environments

Workspaces 10

An end-to-end enterprise platform for 24/7 centralized, policy-based administration, security, and compliance

Enterprise Data Intelligence 9

Provides data transparency to meet modern data management challenges including compliance

Systems

Streamlines IT environments by optimizing resources through monitoring, planning, and workload automation

Growing Global Partnerships

Committed to Customers Around the World

- Headquartered in Naples, FL, plans for 2018 include 16% employee growth
- Chennai Development Hub provides expanded development capabilities
- New offices in Barcelona, Spain and Rye, New York, enhance international presence
- First EVOLVE Conferences bring customer advocates together in Washington D.C. and Paris, France

The View From Altitude

“As we look toward 2018, we plan to build upon the past year’s successes to further invest in our customers and give them the tools they need to create new business opportunities and win in the market.”

- Charles Sansbury, CEO, ASG Technologies
